LB 833

SENATOR BROWN: And so the school district would establish the criteria about whether all of the students would be accepted as option students, all students that applied?

SENATOR CUDABACK: One minute.

SENATOR RAIKES: Again, I think there, Senator, the choices available to students in...in systems covered by this bill would be the same as those, and the restrictions for option choices would be the same as those for any other school system.

SENATOR BROWN: Thank you, Senator. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Brown. Senator Raikes, your light is next, if you wish to continue. Senator Raikes waives. There are no further lights on. Senator Aguilar, do you wish to close on your AM1845 to LB 833?

SENATOR AGUILAR: Yes, just very briefly. I think after all the explanation, everybody fully understands what we're trying to do and really how very important it is to Grand Island Northwest to be able to receive this funding that will be place with this amendment. Also I'd like to thank very much Senator Bromm for allowing me to attach to LB 833, Senator Kristensen for his sage advice, Senator Raikes and Education Committee for all the work they've done, and of course Senator McDonald and his staff has been especially helpful and I'd like to thank them very much. Thank you.

SENATOR CUDABACK: Thank you, Senator Aguilar. You've heard the closing on AM1845 offered by Senator Raikes to LB 833. The question before the body is, shall that amendment be adopted? All in favor vote aye, opposed nay. We've voting on the Aguilar amendment to LB 833. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: 35 ayes, 0 nays, Mr. President, on the adoption of Senator Aguilar's amendment.

SENATOR CUDABACK: The amendment is adopted.
